About Us

We are an Italian company, based in Piacenza since 1966. We produce brushes: personal care brushes, home brushes and industrial brushes.

We are on market with three different Brand: *Tre Stelle*, the historical brand which mark all range of our products; *Optima Professional*, an exclusivity brand dedicated to professional area, and *Flour*.

We guarantee professionalism and high technical skills thanks to experience of generations with modern equipment and high technology.

Also our know-how allows us to personalize, customize or make a new product by customers requests.

Our product are guarantee for use with hair-dryer.
